

# **Chesapeake City Revitalization Plan**

**Many small steps to preserve the  
future of our town and to  
enhance the quality of life for our  
residents**

**August 27, 2012**

# Mission Statement

- This presentation is a working document to preserve and position Chesapeake City as a premier and high quality place to live and visit.
- The presentation consists of multiple chapters, each a specific element which the town needs to improve.

# Mission Statement

- The ultimate mission is to have a fine tuned revitalization plan for the town showing where we want to go in the future.
- Just as important, it will also serve as a tool for the many government agencies at the Federal, State and Local level and help position our town to obtain multiple grant opportunities.

# **Table of Contents**

## **7 Chapters**

- Chapter 1- Landscaping Plan
- Chapter 2- Utility Plan
- Chapter 3- Infrastructure Plan
- Chapter 4- Sidewalk Plan
- Chapter 5- Sign Plan
- Chapter 6- Bike & Walking Plan
- Chapter 7- Economic Impact Plan

# **Chapter 1**

## **Landscape Plan**

### **Goal**

- To dress up the entrances on the north and south side with the use of landscaping and gates, which will define our town's beauty, cleanliness, and pride of our property owners.
- This plan will need the cooperation of the town, the county, the state and the Army Corp. It will be up to us to coordinate a team effort and execute the following action items.

# **Chapter 1**

## **Landscape Plan**

### **Result**

- An absolute beauty to the eye. Protection and increased value to all of our residents. A sense of pride that will become contagious through out our town.
- This will increase the quality of life for all residents.
